## Overseas Nursing Placement

Nurses make up for more than half the employees in the healthcare system, and there's a massive demand for Trained and Certified Nurses who are skilled and up-to-date with the latest trends in the healthcare industry. In response to the surging requirement, Nini Skillup Pvt.Ltd has partnered with Pearson to offer a comprehensive training & placement support tailored for nurses seeking overseas opportunities. Empowering nurses globally. The collaboration between Nini Skillup and Pearson will facilitate international career opportunities for nurses. This is done by :

- Providing comprehensive training and support tailored to the requirements of overseas healthcare systems
- Enhancing cultural adaptability in nursing practice.
- Ensuring compliance with regulatory standards and licensing requirements
- Establishing partnerships with reputable healthcare institutions abroad
- Supporting nurses in acquiring language proficiency and cultural awareness

## HNC – The Key Differentiator

A BTEC in Health and Social Care can give you the practical skills and knowledge to progress to your chosen career. With qualifications designed for working in the healthcare sector, your BTEC can prepare you for real-life working experiences.
